why go rogue?

Your Life. Your Memories. Your Photos. Finally, a photography company that is all about **YOU**.

At Rogue Images Photography, you first and foremost get professional photography services at a fraction of the cost of other studios. **Our goal is to make your photos 100% about you.** Whether it be your wedding, senior portraits, family portraits, kids pictures, maternity or even newborn photography, we can do it all and are here for you to make it a unique and individual experience.

So why choose us for your photo session? A commitment to your time and your vision is absolutely paramount to us. After all, the photos will stay with you for a lifetime! We want your input, and your personality to come through! We want your photos to be a reflection of who you are, be it as a family, newly wed couple or a high school senior ready to make your mark on the world.

We are happy to provide professional photography services for weddings, family portraits, senior portraits, newborn photography and much more to the great state of Indiana and the greater Indianapolis area! We look forward to being your Indiana Wedding Photographer!
